**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've enjoyed using Sonic.com for internet. They have provided a better price and better service than AT&T. Their customer service and company ethics are also much better than AT&T.

My understanding is that Sonic.com uses AT&T infrastructure to deliver its service, and that their ability to do this is being threatened by proposed rules/legislation. To the extent that this would make it more difficult for companies like Sonic.com to compete in the local market, I strongly oppose such rules/legislation. Thank you for your attention.
